

A MOTHER OF WHORES

By REGGIE KEITH

Based on: Revelation 17-18; Daniel 2,7-8

1. There is an old woman, a Mother of whores;
Who sits upon many waters;
So she's fatter than fat, and ugly as sin;
Who has some admiring daughters.

2. And this faithless whore, who swears she's a queen;
She drives the last beast of the earth.
She fornicat – ing 10 leaders, who have the same mind:
Their merchants enriched by her worth.

3. And this final beast, shall tread and break down,
Until the whole world is broken:
While she is arrayed in scarlet and gold;
The blood of the saints are her token.

Refrain:

Alas, she has fallen, and cannot get up!
She's fallen, this STD drunk:
Along with a Prophet, who did her much profit,
As all the earth fell for her bunk.
